

Checking configuration

We created a simple page that allow administrators check out the current Conference Rooms system configuration.

Go to Conference Rooms' check config page -

`/checkConfig?sessionId=tpXQ89oXql0BfuPKvfss09wZwC232yHA` (remember to update the sessionId parameter).

Only administrators are allowed to see the page content. [Read more](#) about system configuration including setting the administrator group.

Revision #3
