# Logging in

If you previously used the OTRS's Customer Panel you can log in to the new *Intalio Customer Panel* using the same credentials.

Login page address

The login page address may vary depending on how the system is implemented but usually it ends with **otrs/route.pl/customer-panel/login**.

Forget your password?

If your administrator allows you to reset user passwords, you can use the password reset function. All necessary information will be sent to your e-mail.
