

Number

Number (number)

This field takes only numbers, you can use the validator to set e.g. ranges.

The screenshot shows a web interface with a dark header bar containing the 'intalio' logo (an orange 'i' followed by 'ntalio' in black) and the text 'OPEN SOURCE EXPERTS' in small red letters. To the right of the logo is a link 'Company Site'. Below the header is a dark grey bar with a breadcrumb '> Virtual panel 7 title'. The main content area is white and contains two input fields. The first field is labeled 'City' with a city icon and has a green underline. The second field is labeled 'Number' with a green icon of a box containing the number '1' and has a green underline. Above the input fields are two circular navigation buttons: a green one with a white left arrow and a grey one with a white right arrow.

Example:

```
{
  "size": "s12 m6 offset-m3",
  "type": "number",
  "id": "Number",
  "label": "Number",
  "validate": [
    ""
  ],
  "icon": "filter_1",
  "otrs_visible": "all",
  "hidden": false,
  "value": ""
}
```

The rest of the available parameters:

This field supports all parameters with "Attributes available for each field".
