

Radio

Radio (radio)

This field allows you to select one of the available fields.

The screenshot shows a web form with the title "options_style" in the top left corner. In the top right corner, there is a logo for "intalio" with the tagline "OPEN SOURCE EXPERTS" and a link to "Company Site". Below the title, there is a dark grey header bar with the text "> Virtual panel 4 title". The main content area has a light grey background and contains the text "Here you can determine how the layout of the fields should look like." Below this text, there is a light blue banner with the text "For more information on what you can type in here, please see the [responsive section].". At the bottom of the form, there is a white box containing two radio button options: "Mercedes" and "Toyota". The "Toyota" option is selected, indicated by a small black dot next to the radio button.

define_output_value

Is the value that goes into the output system to be taken from the label or value parameter.

options

All available options.

value

label

checked

Check if you want this option to be selected by default.
