## Icons

You can add your own icon, you can not add an icon, but still keep the spacing, this will make your form more aesthetically pleasing.

## Default

Turning on the icon shows one icon.

```
"icon": "assignment_ind",
```

The screenshot shows a form with several fields. At the top right, there is a dropdown menu with the text "Wybierz w kogo imieniu chcesz złożyć wniosek \*". Below it, there is a text input field with the placeholder "Tutaj możesz zacząć wpisywać wyszukiwanego klienta". On the left side, there is a toggle switch labeled "Składam wniosek w swoim imieniu".
